4. Policy Statement/s

4.1 Course Withdrawal

4.1.1 Students can withdraw from an approved course, unit of study, or unit of competency at any time prior to the census date for that approved course whether they are accessing Commonwealth Assistance through VET Student Loan or not.

4.1.2 Student withdrawals should be in writing and must be received by administration no later than prior to the close of business on the census date for the approved course they are enrolled in, in order to avoid incurring a debt or incurring charges for the relevant course's tuition fees charged for that unit of study.

4.1.3 All students must be made aware of census dates for the course they have enrolled in and their option to withdraw prior to the census date.

4.1.4 There are no financial or administrative barriers to a student choosing to withdraw from all or part of an approved course.

4.1.5 Students withdrawing after the census date will be charged for the relevant units of study. If the student believes that they were not able to complete their studies due to extenuating circumstances they have the right to apply for their fees to be re-credited and must access the Re-crediting a FEE-HELP Balance Policy published on the Institute website.

4.2 Enrolment after withdrawal

4.2.1 Students who have previously withdrawn from an approved course or a part of the course may decide to enrol in that course again.

4.2.2 Students wishing to reenrol in a qualification after withdrawing should do so in writing. The Institute will not enrol the student in an approved course or part of an approved course without the written permission of the student.

4.2.3 All enrolments are subject to availability and spaces for the approved course and the timetabling and will require the student to reenrol in a new offering of the course. All units of competency previously achieved will be eligible for credit transfers if equivalent units are available.

4.3 Cancellation of Enrolment

4.3.1 If the student has not attended classes and not contacted the Institute as to their intention of taking up or continuing their enrolment they will be automatically withdrawn from the unit of study and will **not** incur a debt for the relevant units.

4.3.2 Prior to the Course commencement date, the Institute reserves the right to cancel any Course due to insufficient class numbers or for any other reason. In this situation the Student will receive a full refund for any Course Fees paid.

4.3.3 Once the course has commenced, the Institute guarantees to complete the delivery of the course except in the following unlikely situations:

- A natural or malicious disaster (including fire, tempest and flooding) occurs which prevents the courses being undertaken,
- Due to student deferrals, transfers or withdrawals from the course, the remaining number of students enrolled in the course becomes three or less,

4.3.4 In these situations, the Institute reserves the right to cancel the course. The Institute will issue a refund of Course Fees paid, or will find another suitable course for the student to complete their study. In this case the Student's preferred option will be taken. Please refer to Ceasing to Provide a Course – VET Tuition Policy and Procedure published on the Institute website.

4.3.5 Student enrolments can be cancelled after the census date by the Institute Directors at any time for non-payment of Course Fees, failure to comply with the Institute rules and regulations, or conduct deemed unsatisfactory. In this situation all students will have the right to initiate grievance procedures before the cancellation takes final effect.

5. Policy Procedure/s

5.1 Course Withdrawal

- 5.1.1 Students intending to withdraw should complete the withdrawal form and submit to administration on or before the census date for the unit of study/course they are withdrawing from.
- 5.1.2 Verbal intent to withdraw will be accepted on or before the census date if made to an Institute administration officer and noted in the student records.
- 5.1.3 Students who choose to withdraw from a unit of study/ course should be interviewed and their reasons noted. Other options should be discussed with the student such as part time study if they are finding full time study load too much or enrolling in a lower level qualification if the course level is not suitable for them.

5.2 Communicating Withdrawal Procedures

- 5.2.1 Students are made aware of their option to withdraw prior to or on the census date at student induction, through the student handbook and through the online publishing of this policy and procedure.
- 5.2.2 The census date for each unit of study is clearly identified on student timetables as well as being published on the Institute's website.

5.3 Record keeping and Review

- 5.3.1 All withdrawing students must have their status in the student management system changed to inactive so that they aren't reported on as receiving VET Student Loan for units withdrawn from prior to census date and no results are to be entered for that unit of study.
- 5.3.2 Records of student fees are to be removed from the Unit Enrol Status spreadsheet relating to the withdrawn units.
- 5.3.3 Student withdrawal forms and withdrawal interviews are to be kept on file in the student physical file and scanned to their electronic file.
- 5.3.4 Withdrawal interviews are reviewed annually to determine if there are trends in why students are withdrawing and if the processes and procedures at the Institute need changing and adjusting as a result.

5.4 Cancellation of Enrolment Procedures

- 5.4.1 All students who have had their enrolment cancelled will be informed by the institute of the proposed cancellation and the reasons for the cancellation.
- 5.4.2 Students will have at least 28 days to initiate grievance procedures before the cancellation takes final effect.
- 5.4.3 Any cancellation will take final effect only after any grievance procedures initiated by the student have been completed (please refer to the Academic and Non-Academic Grievance Policy and Procedures published on the Institute website).
- 5.4.4 Students who have had their enrolment cancelled due to the conditions as specified in point 4.3.5 above will not be refunded any fees already paid.
